Misconceptions about marriage:

- ◆ I have to get married to be _____.
- ◆ Marriage will make me _____.

The purpose of marriage is not happiness, but _____.

The greatest gift you can give your marriage is to have a growing deeper love relationship with Jesus.

“Then the LORD said to me, “Go and love your wife again, even though she commits adultery with another lover. This will illustrate that the LORD still loves Israel, even though the people have turned to other gods and love to worship them.”

Hosea 3:1 NLT

Jesus replied, “You must love the LORD your God with all your heart, all your soul, and all your mind.”

Matthew 22:37 NLT
